**If you are a start-up company and have existed for a maximum of 3 years and makes a profit of a maximum of 3 million SEK a year, you are welcome to be a member free of charge for 1 year. When you make a profit of more than 3 million, you will be charged according to the standard price list.**

## **Price list Associated membership**

If you do not have a Swedish organisation number you can be an associated member of FKG. This applies if you are a globally active company and if you are directly or indirectly operative with deliveries to the Swedish automotive industry. As an associated member you do not own the right to vote in the general assembling.

The annual fee for an associated membership is **10 600 SEK**.

This will be invoiced in January.
